Berkeley, CA 94704
Phone 510 548-1892

JOSHUA B. KARDON
Structural Engineer

Education

B.S., Civil Engineering, Rensselaer Polytechnic Institute, Troy, NY, 1971
M.S., Civil Engineering, University of California, Berkeley, CA, 1997
Ph.D., Civil Engineering, University of California, Berkeley, CA, 2003

Expertise

Structural engineering design, investigation, failure analysis, consultation, and construction engineering and observation for concrete, steel, timber, and masonry structures. Projects include commercial development, single-family and multi-unit residences, foundations, vehicular and pedestrian bridges, schools, hospitals, retaining walls and other ground support systems, marine structures, remedial construction, renovations and seismic upgrading of existing structures.

In continuous practice in civil/structural engineering since 1973. Principal of Joshua B. Kardon + Company Structural Engineers since 1978.

Licenses

Professional Engineer, California, 1975 (C25620)
Structural Engineer, California, 1980 (S2305)
Structural Engineer, Nevada, 1991 (09318)
Structural Engineer, Arizona, 1994 (28019)
Structural Engineer, Oregon, 1994 (17446)
Structural Engineer, Hawaii, 1997 (PE 9228 SE)
Structural Engineer, Washington, 2004 (41163)
Professional Engineer, Colorado, 2005 (39090)
Structural Engineer, Nebraska, 2007 (E-12167)

Professional Associations

American Society of Civil Engineers (ASCE)
Structural Engineers Association of Northern California (SEAONC)
American Institute of Architects, East Bay Chapter (AIAEB)
International Conference of Building Officials (ICBO)
Earthquake Engineering Research Institute (EERI)
American Concrete Institute (ACI)
Post-Tensioning Institute (PTI)
American Institute of Timber Construction (AITC)
Engineered Wood Association (APA)
American Institute of Steel Construction, Inc. (AISC)
